24 November 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 24 November 1967

DDCI was in the chair.

DD/I noted that the report of Task Force [] was negative this week.

25X

Lehman for Godfrey called attention to the very hard-line speech by Nasser on 23 November.

Lehman noted that there was little to add on the Cyprus situation except that NATO Secretary General Brosio is attempting mediation.

Kent noted that the semantic difficulties in connection with the Estimate on African liberation movements were sorted out.

DD/S reported that the Brown University recruitment interviews have been postponed indefinitely.

25X
